The number of elected members in a District Board shall be not less than $\frac{2}{3}$rds of the whole Board, according to Section 5 of the Regulation. There is therefore no harm if it is more than $\frac{2}{3}$rds as in the present case. The Dy. Commr's interpretation that it should be $\frac{2}{3}$rds, but not more is not correct.

As regards the other point raised by the Dy. Commr; the maximum representation from municipalities shall not be more than 4 according to the existing Rules. But there appears to be no reason why there should be such a rule when it is permissible to allow representation on the income or population basis. The rule may be amended and pending such amendment, the franchise extended to the two municipalities of Hunsur and Malvalli withdrawn, it being restored again after the Rule is amended.

Enclosure No. One

Subject.

Requesting sanction of Government for increasing the strength of the District Board of Mysore from 45 to 48.

Sir,

In connection with the re-constitution of the Hassan Dt. Board, it is under contemplation to further amend the Rule so as to enable Govt. to fix the total strength of each Dt. Board at such number as may be deemed fit in each case and to select any or all of the ex-officio members. Whether some of the Asstt. Commrs may not be taken off from the Board is a point for consideration. If only one Asstt. Commr is retained, it might be possible to manage with the existing strength of 45 even after providing for 2 Associations instead of one.

2nd Member)

dcs 11/11/22

Sir,

I have the honour to state that the present strength of District Board of Mysore was fixed at 45 in Government Notification No.11843/L.B.54-18-8 dated the 17th March 1919.

2. Owing to the formation of a temporary Revenue Sub Division comprising the Taluks of Yedatore and Krishnarajpet, the Assistant Commissioner in charge of this Special Sub Division is entitled to become an ex-officio member of the Board under Rule 2 of the Local Boards Rules issued with Government Notification No...7[illegible] L.B.54-18-1 dated the 18th December 1918. The Town Municipal Council of Chamarajanagar and "the Jaina Education Fund Association" have applied for the franchise of representation on the District Board. These bodies satisfy the conditions laid down in Rule 2(e) and (g) of the Election Rules issued with the Government Notification quoted above. It is reported that the annual normal income of Chamarajanagar Municipality is about Rs.8,000/-

3. It is deemed necessary to extend to these bodies also the privilege of each returning a member to the District Board and to appoint the Assistant Commissioner in charge of the said temporary Sub Division as an ex-officio member. These additions can

only be made by increasing the present strength of 45 to the maximum strength of 48 fixed for a District Board in Government Notification No.1444-L.B.45-21-42 dated the 9th August 1922. This will also obviate the necessity of reducing the number of nominated members as suggested in your letter No. L.7214/L.B.97-21-14 dated the 1st June 1922.

4. In these circumstances, I have the honour to request that sanction of Government may be obtained for increasing the strength of the District Board from 45 to 48 with effect from the date of its reconstitution. The present term of the District Board expires in November 1922 and steps are being taken for its reconstitution.

5. The constitution of the District Board of Mysore after its strength is fixed at the maximum of 48 will be as detailed in the statement enclosed.

6. An application will be separately sent for the orders of Government in the matter of enfranchising the Bar Association and the Jaina Education Fund Association, Mysore, for each returning a member to the District Board.

I am forwarding herewith a copy of the letter noted in the margin for such action as you may deem necessary.

I am directed to request that the amendment of the proviso to Section 5 of the Mysore Local Boards and Village Panchayets Regulation may be carried out in order to bring the provisions of the proviso to Section 5 of the Mysore Local Boards and Village Panchayets Regulation in conformity with the provisions of the Mysore Municipalities Act and the Mysore City Municipal Corporation Act in the matter of the number of elected members in a Local Board and the reservation of seats for Scheduled Castes and Scheduled Tribes in the Local Boards.

Proviso to Section 5 of the Mysore Local Boards & Village Panchayets Regulation is to the effect that the number of elected members in a Local Board shall be not less than two-thirds of the whole Board.

There is therefore no harm if the number of such members is more than two-thirds as is the case in the new constitution recently ordered. As regards the other point

raised in your letter of the 5th instant in the matter of the number of municipal councils to be represented on the Dt. Board.

I am to add that the amending notification sent herewith removes the restriction regarding the maximum number of such councils on the Board and there is therefore no objection to the two municipal councils of Tumsur & Malvalli being represented on the Board in addition to the other town [illegible]

List of enclosures.
